GEHA
Connection
Dental Network

GEHA Connection Dental Network Payor List

- Not all employer groups associated with these payors use the Connection Dental Network. Providers should always verify benefits and eligibility directly with the payor. By contacting the payor, a provider can identify which network fee schedule is being used for claim reimbursement and verify participation status with the plan. When viewing, note that a filled circle denotes a commercial plan, while an unfilled circle identifies a Medicare Advantage Plan.

For payor contact information, call Provider Relations at **800.505.8880**, Option 3.

This list is updated monthly and is available through the CD Provider Portal. Group-contracted providers may contact their representative for a copy.

Connection Dental Network Resource Center

Visit our **resource center** to access plan information, our provider manual, state-specific policies and procedures, compliance requirements, payor-specific requirements and more.

Note: Any changes in your practice status, including but not limited to change of address, hours of operations and whether you're accepting new patients, can be emailed to Connection Dental at **Connection.Dentalweb@geha.com** or faxed to **816.257.4439**
